

HIA - CSR 2014 SA Housing Awards

special feature

HIA-CSR SOUTH AUSTRALIAN TOWNHOUSE/VILLA

WINNER: Harding Projects

Supported by HIA

JUDGES' COMMENTS: Very good use of a small allotment with natural light flooding in from a northerly courtyard. This townhouse proves that quality and comfort can be achieved in this form of development.

HIA-CSR SOUTH AUSTRALIAN TOWNHOUSE/VILLA DEVELOPMENT

WINNER: Australian Classic Homes

Partnered by Rheem Australia

JUDGES' COMMENTS: While this home was small it provided a high level of accommodation. A clever use of skylights and windows allowed natural light throughout. Clever townhouse on a small footprint.

HIA-CSR SOUTH AUSTRALIAN GREENSMART

ENERGY EFFICIENCY

WINNER: South Coast Constructions Pty Ltd

Partnered by Renewal SA

JUDGES' COMMENTS: Fantastic 8-star eco-friendly home designed for maximum energy efficiency. No mechanical heating or cooling needed, excellent cross flow ventilation and maximum insulation.

HIA-CSR SOUTH AUSTRALIAN OUTDOOR PROJECT

WINNER: Benz Homes

Supported by HIA

JUDGES' COMMENTS: Superbly completed freestanding games room and remodeling of existing swimming pool and surrounding area with the use of beautiful stone from China, made this outdoor area a delight to entertain family and friends.
